3.1 Individual exercises are governed entirely by the provisions applicable to **seniors**.

TECHNICAL REGULATIONS FOR BEGINNERS AGE GROUP 6-13

General Rules:

- Each Couple or Group must present a mixed program, which must be choreographed and performed with music.
- The program consists of compulsory exercises, selected from the Tables of Category E of the Internal Regulation.
- The duration of the programs should not exceed 2.00 minutes. There is a tolerance of 1 second before the time penalty is imposed. There is no minimum duration.
- The first note of the music defines the beginning of the program (not the beep). The end of the program is the static position of the athletes, which should coincide with the end of the music.
- There is no penalty for height, however the rules for the reasonable relationship between athletes in the artistry score apply.
- Each couple/group must present the compulsory elements which are designed in the Table of Compulsory Exercises.
- The difficulty value of the program is calculated up to a maximum of 0.5.

Difficulty Value of Compulsory Elements
0,0
0,1
0,2
0,3
0,4
0,5

A penalty of 1.0 is imposed when:

- A requirement is missing or more exercises are performed.
- An individual exercise exceeds the maximum value.
- A prohibited exercise is presented.

This penalty is given for each violation, even if the performed exercise is not recorded in the Tariff sheet.

Individual exercises:

- Each athlete performs exactly 3 individual exercises (balance or dynamic). The one minimum must be selected from the tumbling category.
- Individual exercises selected from the FIG difficulty tables must not exceed a value of 10.

- Individual Tumbling exercises (flash flock, jump, hand shift, wheel...) must follow movement (running, rotating, etc.) and land on one or two legs depending on the type of element. If an individual exercise has not been declared, then the next exercise does not receive a difficulty value.

-No choreographic turn and jump required.

-A penalty of 0.30 is given for an incorrect Tariff Sheet

– e.g. the wrong order of exercises or the wrong exercise. This penalty is applied only **once** per program.

-All special requirements must be present in the exercises stated in the Exercise Sheet.

Exception: If an exercise is performed other than the one declared for difficulty in the Exercise Sheet by the coach, the athletes will not get the difficulty value of the exercise. If the exercise counts towards the special requirements, they will get a reduction of 0.30 for an incorrect Tariff sheet.

Landings of all dynamic exercises declared on the exercise sheet must be supported. If the landing is done without support, a penalty of 0.50 (Difficulty Judge) will be given for each case.

COMPOSITION OF PAIRS PROGRAMS:

- There must be two (2) compulsory balance exercises, each exercise selected from a different series, I, II and III from the Table of compulsory exercises of category E. e.g. one from series I, one from series II, etc.

- There must be two (2) compulsory dynamic exercises, each exercise selected from a different series, I, II and III from the Table of compulsory exercises of category E. e.g. one from series I, one from series II, etc.

COMPOSITION OF TEAM PROGRAMS:

- Two (2) pyramids, selected from a row from the Table of compulsory exercises. Each pyramid must be performed as a separate construction.

- Each team must present two (2) group dynamic exercises selected from a different order from the Table of Compulsory Exercises, e.g. one from series I, one from series II, etc.

Ties in the qualifiers:

- The highest degree of Execution prevails. If the tie remains, the tie is maintained.

Tiebreaks in the finals:

- The highest degree of Execution prevails, after the highest sum of the Execution and the Artistry. If the tie remains, the tie is maintained.
